Candidacy of Hon. Jerry B. Burks For Membership in The Constitutional Convention.

Many of the newspapers in this Senatorial District are urging the election of Mr. Burks to membership in the new Constitutional Convention. The FAIR PLAY fully appreciating just the high degree of integrity, general knowledge and especial legal ability of a fit member of this Convention, wishes to add its indorsement of Mr. Burks, and to ask its readers to give him, in the event of his candidacy, that unqualified support at the polls that such candidacy deserves.

School Notes

School was closed two days of last week on account of the Teachers Meeting held at Cape Girardeau. All teachers, excepting one, attended the meeting and returned reporting a good time as well as time worth while. All think they received new views of the educational process that will help solve some of the local problems of the particular rooms.

The program of selling season tickets has been in full swing this week. From all indications, the number of student tickets will exceed fifty. All pupils of either school are entitled to one of these tickets at \$1.00. The adult tickets are selling well and there are now more than 400 already sold.

The end of the first quarter's work is drawing to a close. Some parents and some pupils are going to be disappointed on receiving their report cards for this quarter. Those who have been prone to treat school lightly and have given little thought to study and to use of time will, of course, reap the harvest of what they sow.

The Field Day did not materialize this year as has been the practice of the last few years. The teachers did not feel that enough interest could be gotten to justify the time spent. If some competition can be found for a "Handicap Field Meet" in the spring, the high school will enter such a meet. In such a meet there would be some competition and some incentive to get good results. Any athlete would be allowed to enter such a meet against all comers.

One Woman's Choice

What would you do to save the life of one you loved? Would you pledge yourself to marry a yellow man? Would you allow yourself to be drawn into the shadowy, mysterious plots of the inscrutable East? Here is a story of one woman's choice on the shores of the Yellow Sea.
